

Employee Concerns Program (ECP)

- **Purpose of the ECP**

To help maintain the quality and integrity of the laboratory and its staff

- **What the ECP provides**

A venue for an employee to escalate his or her concerns on issues affecting the well-being and integrity of the laboratory and its staff to senior management.

- **When to use the ECP**

When an issue cannot be resolved within the normal line management chain.

- **How to use the ECP**

Enter your concern with the online Employee Concerns Program form at intra.nscl.msu.edu/ecp.php or talk directly to an ECP management team member.

The full text of the ECP policy is posted on Intra at intra.nscl.msu.edu/policies/EmpConcernProgram.pdf
